President's Message

Another month has gone by and fall is coming quickly. We had our summer picnic last month and many have said that they had a great time and enjoyed their prizes for finding tokens. Some even got two prizes from tokens left over from the first hunt. The silver raffle was a big hit.

We have heard that some members have been unable to open the emailed newsletter. To open the newsletter, you may need to set up a personal Gmail/Google account, which does not take a lot of time. For help with this, you can get in touch with Johnny Gallegos or other members. Some have also said that they would like a hard copy of the newsletter mailed to them. As you know, emailed newsletters cut down on club costs for printing and mailing and also take a lot less time for those that put the work in to making the newsletter available every month. Let's discuss this at the monthly meeting and see if we can come up with a solution to make receiving the newsletter work for everyone. If you know of someone who has had a problem receiving the newsletter, please contact them to invite them to the September meeting so that we can make sure everyone is informed.

We have a special speaker scheduled for our September meeting. He will be speaking on metal detecting in England. It will be a great meeting.

In November, club officers will be elected. If everyone is in favor, we will have another bingo night, too. Everyone please consider how you can best serve the club in one of the positions that we need officers for—President, Vice President, Treasurer, Secretary, Editor, Historian, Medals Chairman, Webmaster, and 5-6 Wagon Masters.

We are all members of this club and we all can work together to make it the greatest club around. We appreciate the volunteers and all that you do for us. You have all done a great job and I know you will continue to do so. We have had a good year and I want to personally thank all of you for the help that you gave me. You made my job so much easier.

See you all on September 22. Remember to bring your finds for finds of the month. It should be another great raffle.
